INSURANCE OPTIONS (DAMAGE RESPONSIBILITY)

You are fully responsible for any damage caused to, or by, our vehicle during your rental period.

You may provide a binder from your own insurance company. Most standard auto policies will cover a rented RV for little or no additional cost. We will provide you with a *Binder Request Form* that you must fax to your insurance carrier. This document will provide them with all the information they will need to produce a binder for you.

If you are unable or unwilling to secure coverage through your own carrier, we have arranged coverage through *MBA Choice Insurance* at **\$15 per day for Series 1 (22' & 26' vehicles) and \$20 per day for Series 2 (31' & 35') vehicles**. You must purchase this coverage directly from MBACHoice on their website at www.mbachoice.com.-- Our policy number is: **301560**.

This coverage provides full liability to statutory requirements as well as collision and other-than-collision coverage with a deductible of **\$1500 per incident**. If coverage is provided through *MBA Choice* there is an automatic **\$1500 security deposit due at departure**.

INSURANCE OPTIONS:

- A. Provide a Binder thru your own insurance company
- B. Purchase coverage thru *MBACHoice* for **\$15-\$20** per day

CLEANING OPTIONS

Your vehicle is provided to you in a clean condition. Our Daily Rental Rates are calculated assuming you bring the vehicle back to us in a clean, *re-rentable* condition. We understand that some people do not have the extra vacation time to clean the vehicle after their use. For this reason we offer you three cleaning options.

The first option requires you to clean the entire RV and evacuate the waste tanks yourself.

The second is a *Prepaid Cleaning Fee* of **\$75**. If you prepay this fee, you can return the vehicle after your trip and we will clean it for you (inside and outside) as well as evacuate the waste tanks.

The third option has you returning the vehicle to us clean (inside and out) but with the waste tanks not emptied. For this you can choose our *Prepaid Waste Evacuation Fee* of **\$32**.

Standard pre paid cleaning option does not apply to vehicles traveling to Burning Man. We offer a specific pre-paid cleaning option for Burning Man that includes interior cleaning, exterior cleaning, air filter replacement and waste tank evacuation for \$380.

If you choose option one when you depart yet still return the RV dirty we will charge a rate of **\$89 per hour**. Average exterior cleaning charge is 2 hours or **\$134**. Average interior cleaning charge is 2 ½ hours or **\$223**. Evacuating the waste tanks is a *Flat Fee* of **\$89** additional.

CLEANING OPTIONS:

- A. Clean the RV Yourself
- B. Prepaid Cleaning Option for **\$75**
- C. Prepaid Waste Evacuation for **\$32**
- D. Prepaid Burning Man Cleaning **\$380**
