

As part of our commitment to customer care, Route 66 believes the Travel Trailer owner should only have to focus on the journey and the destination.

It is why we ...

- ▶ strive to provide you with unparalleled peace-of-mind programs.
- ▶ selected two protection plans that are as comprehensive as they are easy-to-use.
- ▶ selected the Classic Coverage Plans which provide you with:
  - ▶ **Worry-free protection** against unexpected repairs
  - ▶ **Comprehensive** coverage
  - ▶ **Professional** claims administration with over 30 years of experience
  - ▶ **Protection** throughout the United States and Canada
  - ▶ **Special** coverages
  - ▶ **Roadside assistance** benefits
  - ▶ **Trip interruption** benefits
  - ▶ **Service call** benefits

Deductible

**Standard: \$100 per claim**

If repairs are done per claim by the dealer that sold you your Agreement or any other Route 66 dealer, the deductible will be reduced by sixty-six dollars (\$66).

Additional Benefits

**24-Hour Roadside Assistance**

- Flat Tire Change – up to \$100 per occurrence
- Key Lockout Service – up to \$100 per occurrence

**Trip Interruption**

Payment or reimbursement for motels and meals up to \$100 per day for a maximum of 5 days if breakdown occurs away from your home and vehicle has to be kept in a repair facility overnight. Maximum benefit: \$500 per occurrence.

**Service Calls**

Payment or reimbursement for a service call, not to exceed \$100 per breakdown, if the vehicle cannot be transported to a licensed repair facility.

Optional Coverages

(Surcharges Apply)

**Commercial Use Coverage (New Units Only)\*\***

**Consequential Loss Coverage\*\***

In the event a breakdown occurs on a non-covered part, due to a failure of a covered part, the non-covered part is covered.

\*\* Optional /available for a surcharge with both the Classic Coverage Plan and Classic Coverage Plus Plan.

This brochure is not a contract. For complete details of benefits and exclusions, ask the dealer for the Agreement.

**CLASSIC COVERAGE**

for Travel Trailers

*Protection YOU can count on*

[Wherever the road takes you ... you can count on us.]

## CLASSIC COVERAGE

In the event of a breakdown,\* the **Classic Coverage Plan** will pay or reimburse you for the reasonable costs to repair or replace any of the parts listed in coverages 1-16 below, less any deductible.

\* Breakdown is the failure of a covered part to perform the function for which it was designed, under normal service and usage, due solely to a defect in materials or workmanship as originally manufactured.

## Schedule of Coverages

For a complete list of covered parts, refer to your Service Agreement.

### 1. Suspension Components

Leaf and coil springs; shackles and bushings; rubber suspension springs.

### 2. Brake Components

Master cylinder; wheel cylinders; calipers; metal-only hydraulic tubing and metal fittings; drums and rotors when in conjunction with a covered repair.

### 3. Fresh/Waste Water System Components

Hot water tank, burner assembly, thermostat, thermocouple, gas valve, electronic ignition assembly, P.C. board; diesel/electric heating system; shower assembly; toilet; sink; holding tanks; gate valves; water pump; water purification system, faucets; traps; fittings; water lines.

### 4. Roof or Basement Air-Conditioning Components

Compressor; evaporator; condenser; capacitors; relays; thermostat; heat strips; expansion valve; control module and panel; reversing valve; ventilation fans and motors; blower fan and motor; P.C. board.

## CLASSIC COVERAGE *Plus*

In the event of a breakdown,\* the **Classic Coverage Plus Plan** will pay or reimburse you for the reasonable costs to repair or replace any of the parts listed in coverages 1-18 below, less any deductible. If you select this plan, coverage is for all the components of the entire assembly or system except those listed in the Exclusions section of the Agreement.

### 5. Kitchen Center

Range/oven burner assembly; burner valves; refrigerator/freezer; microwave; convection oven; thermostat; thermocouple; burner; ignitor; P.C. board.

### 6. L.P. Gas System Assembly Components

Gas regulators; gas tanks; gas valves; tank gauges; L.P. lines and fittings; emergency shut-off system; gas leak detector; carbon monoxide monitor.

### 7. Heating System Components

Furnace ignitor; burner assembly; gas valve; gas leak detector; thermostat; thermocouple; blower motor; P.C. board.

### 8. Generator/Power Plant Components

All internally-lubricated parts of the power plant engine, alternator; starter; manually-operated switches; voltage regulator; power converter-inverter; P.C. boards; fuel pump; hour meter; power plant engine block and cylinder heads, (if damaged as a result of an internally-lubricated part failure).

### 9. Crank System Components (Pop-up Campers)

Cables, pulleys and metal frame.

### 10. Deluxe Appliances

Icemaker; trash compactor; central vacuum-cleaner system; dishwasher; in-sink disposal; built-in coffee maker; built-in food processor; fold-out external grill; clothes washer/dryer; ceiling fan motor; smoke detector.

### 11. Entertainment Components (factory/dealer installed only)

Stereo receiver; tuner; compact disc player; DVD player; satellite system; television set(s) no more than 42"; television antenna and rotator.

### 12. Interior and Exterior Components (factory/dealer installed only)

Hood latches and springs; door handles; latches and springs; door chimes; clock; power window curtains/shades motors; awning motor; awning mechanism and sensors; shore power cord and retractor.

### 13. Slide-Out Rooms

Slide-out room motor(s) guides, tracks and hydraulic valves, sliding floor motor, pump/jack assembly, electrical switches and wiring harness.

### 14. Power Steps

Power step, lines, fittings, cylinders, worm gears, electrical switches and wiring harness, entry door motor and mechanism.

### 15. Leveling Systems

Factory-installed electric/hydraulic leveling jacks; electrical switches and wiring harness.

### 16. Seals and Gaskets

Seals and gaskets are covered for all listed parts.

### 17. Classic Plus Plan Components

In addition to Groups 1-16, all parts of the unit are covered, except those listed under the exclusions section of the Service Agreement.

### 18. Wear and Tear Coverage

Normal wear and tear is covered for all parts of the unit except for what is listed in the exclusions section of the Service Agreement.

Wherever the road takes you ... you can count on us.
