

As part of our commitment to customer care, Route 66 believes the Motor Home owner should only have to focus on the journey and the destination.

It is why we ...

- ▶ strive to provide you with unparalleled peace-of-mind programs.
- ▶ selected two protection plans that are as comprehensive as they are easy-to-use.
- ▶ selected the Classic Coverage Plans which provide you with:
 - ▶ **Worry-free protection** against unexpected repairs
 - ▶ **Comprehensive coverage**
 - ▶ **Professional claims administration** with over 25 years' experience
 - ▶ **Protection** throughout the United States and Canada
 - ▶ **Special coverages**
 - ▶ **Roadside assistance benefits**
 - ▶ **Car rental benefits**
 - ▶ **Trip interruption benefits**
 - ▶ **Service call benefits**

Special Coverages

1. High-Tech Components*

Engine control module; camshaft and crankshaft position sensors, coolant temperature sensor, knock sensor, map sensor, mass airflow sensor, throttle position sensor; electronic ignition module; ignition coil; cooling fan control module; electric block heater; transmission control module; transmission mounted parking brake; wheel speed sensors and control module; automatic temperature control programmer; mode and temperature door actuators; remote mirror motors; factory-installed entry/security system, keyless entry/alarm system; rear monitor camera, factory-installed fireplace burner assembly; interior-mounted systems monitor; dash-mounted instrument cluster and gauges.

2. Deluxe Appliances*

Icemaker, trash compactor, dishwasher, built-in coffee maker, built-in food processor, in-sink disposal, basement refrigerator/freezer, central vacuum cleaner system, fold-out external grill, clothes washer/dryer, ceiling fan motor and smoke detector.

3. Entertainment Components*

(Factory/dealer installed only) Stereo receiver; tuner, compact disc player; DVD player; satellite system, television sets less than 29," television antenna and rotator.

4. Interior and Exterior Components*

(Factory/dealer installed only) Hood latches and springs, door handles, latches and springs, door chimes, heated seats, seat tracks, clock, courtesy map light assembly, power window curtains/shades, awning motor, awning mechanism, awning sensor, shore power cord and retractor, intercom, air horn and spotlight.

5. Leveling System**

Factory installed electric/hydraulic leveling jacks, electrical switches and wiring harness.

6. Slide-Out Rooms**

Slide-out room motor(s), guides, tracks and hydraulic valves, sliding floor motor, pump/jack assembly, electrical switches and wiring harness.

7. Power Steps**

Power steps, lines, fittings, cylinders, worm gears, electrical switches and wiring harness, entry door motor and mechanism.

8. Commercial Use Coverage***

9. Wear and Tear Coverage (new units only)***

Compass, global positioning system (GPS); on board communications system, satellite antenna, back-up warning system and electronic driver information display and module.

* Included in the Classic Coverage Plus Plan only.

** Optional/available for a surcharge with the Classic Coverage Plan; included in the Classic Coverage Plus Plan.

*** Optional/available for a surcharge with both the Classic Coverage Plan and Classic Coverage Plus Plan.

This brochure is not a contract. For complete details of benefits and exclusions, ask the dealer for the Agreement.

Classic Coverage and Classic Coverage Plus Plans not available in CA.

CLASSIC COVERAGE

for Motor Homes

*Protection you
can count on*

ROUTE 66
RV Network

[Wherever the road takes you ... you can count on us.]

CLASSIC COVERAGE

In the event of a breakdown,* the **Classic Coverage Plan** will pay or reimburse you for the reasonable costs to repair or replace any of the parts listed in coverages 1-17, less any deductible. For diesel engines, coverages 3-17 will apply.

* Breakdown is the failure of a covered part to perform the function for which it was designed due solely to a defect in materials or workmanship as originally manufactured.

Schedule of Coverages

1. Chassis Engine Components

Engine block and/or replaceable cylinder sleeves and cylinder heads if damaged as a result of an internally-lubricated part; all internally-lubricated parts contained within the engine block, including, but not limited to: valves, valve springs, valve guides, valve covers; intake and pins; main and rod bearings; crankshaft; camshaft; lifters, cam bearings; oil pump; oil pan; rocker arms; push rods; timing chain and gears, timing cover; flywheel; flywheel ring gear; flex plate; tensioner; vacuum pump; engine mounts; dipstick and tube; turbo and all internal parts; diesel injectors and injector pump.

2. Transmission Components

Case if damaged as a result of an internally-lubricated part; all internally-lubricated parts within the transmission case including: torque converter; bands; clutches; gears; front pump; shafts; shift forks; synchronizers; vacuum modulator; shift solenoids; internal switches and sensors; transmission mounts and pan.

3. Drive Axle Components

Drive axle housing if damaged as a result of an internally-lubricated part; all internally-lubricated parts within the drive axle housing, including but not limited to: axle shafts, axle housing; universal joints; constant velocity joints; locking hub mechanisms; wheel bearings; drive shafts; and center bearing.

4. Engine Cooling Components

Water pump; radiator; cooling fan blades; fan clutch; hydraulic or electric fan motor; heater core; fan shroud and coolant recovery tank.

5. Steering Components

Steering gear housing and all internally-lubricated parts; control valve; steering cylinder; rack-n-pinion; factory-installed steering stabilizer; internal steering column shafts; steering pump; main and intermediate shafts and couplings.

6. Fuel Delivery Components

Fuel pump; fuel tanks; metal fuel lines; fuel injection pump; fuel injectors; fuel pressure regulator; auxiliary tank switch; fuel lift pump.

CLASSIC COVERAGE

Plus

The **Classic Coverage Plus Plan** is our most comprehensive plan. In addition to parts listed in this brochure, all other parts of the assembly or system are covered in the event of a breakdown,* except those in the Exclusions section of the Agreement. For diesel engines, all other parts of assemblies 3-17 below are covered except those in the Exclusions section of the Agreement.

7. Chassis Air Conditioning Components

Compressor; compressor clutch; clutch bearing; receiver dryer; accumulator; condenser; idler pulley; field coil; evaporator; blower fan and motor; high/low cut-off switches, pressure hose assemblies; refrigerant when in connection with a repair to a covered part(s) failure.

8. Electrical Components

Alternator; starter; starter drive; starter solenoid; voltage regulator; distributor; manual hand-operated switches; ignition switch; windshield wiper motor and washer pump; power window motor, gears and regulator and dual battery paralleling switch.

9. Suspension Components

Upper and lower control arms; shafts and bushings; upper and lower ball joints; steering spindles and supports; leaf and coil springs; shackles and bushings; rubber suspension, springs; factory-installed suspension compressor, air lines and suspension air bags.

10. Brake Components

Master cylinder; hydraulic or vacuum brake booster; wheel cylinders; calipers; combination valve; metal-only hydraulic tubing and metal fittings; ABS pressure modulator; accumulator; drums and rotors when in connection with a repair to a covered part(s) failure. Air brake components including compressor; lines; treadle valve; compensating valve; actuator and diaphragm and slack adjusters.

11. Fresh/Waste Water System Components

Hot water tank; burner assembly; thermostat; thermocouple; gas valve; electronic ignition assembly; P.C. board; diesel/electric heating system; shower assembly; toilet; sink; holding tanks; gate valves; water pump; faucets; traps; fittings; water lines.

12. Kitchen Center

Range/oven burner assembly; burner valves; refrigerator/freezer; microwave; convection oven; thermostat; thermocouple; burner; ignitor; P.C. board.

13. Roof or Basement

Air-Conditioning Components
Compressor; evaporator; condenser; capacitors; relays; thermostat; heat strips; expansion valve; control module and panel; reversing valve; ventilation fans and motors; blower fan and motor; P.C. board.

14. L.P. Gas System Components

Gas regulators; gas tanks; gas valves; tank gauges; L.P. lines and fittings; emergency shut-off system; gas leak detector; carbon monoxide monitor.

15. Heating System Components

Furnace ignitor; burner assembly; gas valve gas leak detector; thermostat; thermocouple; blower motor; P.C. board.

16. Generator/Power Plant Components

All internally-lubricated parts of the power plant engine; alternator; starter; manually-operated switches; voltage regulator; power converter-inverter; P.C. boards; fuel pump; hourmeter; power plant engine block and cylinder heads if damaged as a result of an internally-lubricated part.

17. Seals and Gaskets

Seals and gaskets are covered for all listed parts.

Deductible

Standard: \$100

If repairs are done by the dealer that sold you your Agreement or any other Route 66 dealer, the deductible will be reduced by sixty-six dollars (\$66).

Additional Benefits

▶ 24-Hour Roadside Assistance

- Towing and Wrecker Service – up to \$150 per occurrence for Classic Coverage and \$300 per occurrence for Classic Coverage Plus
- Flat Tire Change – up to \$100 per occurrence
- Emergency Gas Delivery – up to \$100 per occurrence
- Battery Jump Service – up to \$100 per occurrence
- Key Lockout Service – up to \$100 per occurrence

▶ Car Rental

Reimbursement for substitute transportation up to \$50 per day for a maximum of six days. Maximum benefit: \$300.

▶ Trip Interruption

Reimbursement for motel and restaurant expenses up to \$125 per day for a maximum of three days if breakdown occurs away from home. Maximum benefit: \$375.

▶ Service Calls

Payment or reimbursement for a service call, not to exceed \$100 per breakdown, if the vehicle cannot be transported to a licensed repair facility.

Wherever the road takes you ... you can count on us.
