**HIGH-END FIFTH WHEEL LUXURY**

While other toy hauler manufacturers have limited many of their interior designs to reflect a purely “racing” lifestyle - CYCLONE has listened to what customers are looking for and are excited to offer the best of both worlds - a coach that may say “Racer” on the outside, but features truly elegant residential form and function on the inside!

**REMOVABLE DINETTE TABLE**

CYCLONE’s flexible U-shaped dinette provides a great place to lounge and watch television, or entertain guests with the nice-sized removable table.

Extra storage is provided by built-in storage drawers in the dinette base.

The HITCH COVER provides not only a great look - but improved aerodynamics.
